## Anaphylaxis

Girl with the bee allergy Gets stung six times yearly They're pretty cute and all Why're they so obsessed with me I just wanna wear colours Walk around with bare feet Don't wanna murder a bee Don't want a bee to murder me Anaphylaxis Anaphyl-fuck this Don't wanna be scared of a bee Don't wanna be scared of a tiny lil bee naphylaxis Anaphyl-fuck this Desensitize (desensitize) Desensitizing me Lovely little stripy pals So honey sweet They just can't get enough Of dying in my feet Fuzzy little buzzy pals Make it hard for me to breathe I'll still rescue them from drowning In their hour of need Anaphylaxis Anaphyl-fuck this Don't wanna be scared of a bee Don't wanna be scared of a tiny lil bee Anaphylaxis Anaphyl-fuck this Desensitize (desensitize) Desensitizing me Lovely little stripy pals So honey sweet They just can't get enough Of dying in my feet Fuzzy little buzzy pals Make it hard for me to breathe Don't wanna murder a bee Don't want a bee to murder me Don't wanna murder a bee Don't want a bee to murder me Anaphylaxis Anaphyl-fuck this Don't wanna be scared of a bee Don't wanna be scared of a tiny lil bee Anaphylaxis Anaphyl-fuck this Desensitize (desensitize) Desensitize (desensitize) Desensitizing me

## Punch in the Face

I wanna live, a life not wasted I wanna know my fear and face it I wanna have my cake and taste it But I see my tail and I want to chase it It starts and it never ends I've got the world in the palm of my hands So many legends that I call my friends But a voice inside says it's all pretend Fuck that It's time to celebrate We're never younger than we are today Take it, take it all like a punch in the face Take it, take it all like a punch in the face Fuck that It's time to celebrate We're never younger than we are today Take it, take it all like a punch in the face Take it, take it all like a punch in the face UGH Late bloomer Never really grew much Little rat crawled outta the sewer Drink too much Always fuckin spew up Such a fuckin screw up Arghhh Fuck that it's time to celebrate We're never younger than we are today Take it, take it all like a punch in the face Take it, take it all like a punch in the face Fuck that it's time to celebrate We're never younger than we are today Take it, take it all like a punch in the face Take it, take it all like a punch in the face And all that time spent Living with self resentment No fuckin more 'cause I wanna live, a life not wasted I wanna know my fear and face it I wanna have my cake and taste it But I see my tail and I want to chase it Fuck that It's time to celebrate We're never younger than we are today Take it, take it all like a punch in the face Take it, take it all like a punch in the face Fuck that It's time to celebrate We're never younger than we are today Take it, take it all like a punch in the face Take it, take it all like a punch in the face Fuck that It's time to celebrate We're never younger than we are today Take it, take it all like a punch in the face Take it, take it all like a punch in the face FUCK THAT

## Cringe Binge

Tired as fuck Laying in bed Trying to sleep But my brains still running 3000 revs Overthinking everything Full on anxiety Its a fuckin cringe binge I just wanna be zen Wanna catch some zeds But I'm wide awake It's driving me insane I can't shut it off can't shut it off Thinking bout every dumb thing I've ever said Can't shut it off can't shut it off All my worst memories on screen in my head Search for ladders Finding snakes Relive all my past mistakes Once the cycle starts it doesn't stop (it doesn't stop) I just wanna be zen Wanna catch some zeds But I can't stop thinking about when I was in year 9 and for months I thought it was so fucking cool to wear a black tie with my stupid yellow polo shirt and I got a photo it was in the newspaper I'm so fucking embarrassing I'm an idiot ARGH! I can't shut it off Thinking bout every dumb thing I've ever said Can't shut it off can't shut it off All my worst memories on screen in my head Search for ladders Finding snakes Relive all my past mistakes Once the cycle starts it doesn't stop Why am I like this Search for ladders Finding snakes Relive all my past mistakes Once the spiral starts it doesn't stop WHY AM I LIKE THIS I just wanna be zen I wanna catch some zeds But I'm wide awake It's driving me insane I can't shut it off can't shut it off Thinking bout every dumb thing I've ever said Can't shut it off can't shut it off All my worst memories on screen in my head Search for ladders Finding snakes Relive all my past mistakes Once the cycle starts it doesn't stop Why am I like this Search for ladders Finding snakes Relive all my past mistakes Once the spiral starts it doesn't stop WHY AM I LIKE THIS

## Armageddon

Go to bed daylight on a Sunday Brain dead all day every Monday This is no way to live my life It doesn't seem right It just doesn't seem right Another headache, another regret Another weekend for me to forget Not to be dramatic but if my Uber Eats guy Doesn't hurry the fuck up I think that I might die I'm getting tired of getting blind Of writing myself off at night I wanna wake up feeling fine But I never know where to draw the line There's just no in-between with me Armageddon cos I don't wanna miss a thing Sometimes I think it might be time But I never know where to draw the line Always fomo, no one really knows though What ya gonna miss, on the piss, on the blow bro Don't give me the tip, cos I already know Noone is gonna miss those days of feeling low Low on the agenda, three day bender Don't give a thought to how you're gonna spend ya Days coming down, just wasted on the couch Just get it in ya mouth, just have another round cus I'm getting tired of getting blind Of writing myself off at night I wanna wake up feeling fine But I never know where to draw the line There's just no in-between with me Armageddon cos I don't wanna miss a thing Sometimes I think it might be time But I never know where to draw the line I'm getting tired of getting blind Of writing myself off at night I wanna wake up feeling fine But I never know where to draw the line There's just no in-between with me Armageddon cos I don't wanna miss a thing Sometimes I think it might be time But I never know where to draw the line I'm getting tired of getting blind Of writing myself off at night I wanna wake up feeling fine But I never know where to draw the line There's just no in-between with me Armageddon cos I don't wanna miss a thing Sometimes I think it might be time But I never know where to draw the line

## Attack of the Ants

Eaten by ants Crawling on my skin I'll never trust my towel rail again Hundreds of ants Bitey little fucks Hiding in my towel to fuck me up Eaten by ants Crawling on my skin I'll never trust my towel rail again Hundreds of ants Bitey little fucks Hiding in my towel to fuck me up Molly fixed the leaky tap outside The drip drip drip drip drip drip drip it died Musta bugged the bugs Cos when they came inside It wasn't for hugs It was an invasion Of my privacy Bites all over my private things Jerks didn't cut me any slack It was a full frontal attack Hiding and biting me Hiding and biting me Eaten by ants Crawling on my skin I'll never trust my towel rail again Hundreds of ants Bitey little fucks Hiding in my towel to fuck me up Eaten by ants Crawling on my skin I'll never trust my towel rail again Hundreds of ants Bitey little fucks Hiding in my towel to fuck me up Imagine this Step out the shower Lil guys been gathering for hours Expectations of soft and dry Instead I got nearly fuckin eaten alive They fucked me up Enough's enough It's not their fault We had a scuff Hiding and biting me (Repeat) Formicidae Enemy Why you wanna Mess with me Shoulda stayed in your colony Here's a strongly worded letter for your queen Dear Royal Ant Majesty I'm not a fan of your ambush on me You bet all future crumbs are gonna be swept clean And I'm calling in the bug man I'm calling in the bug man Formicidae Enemy Why you wanna Mess with me Shoulda stayed in your colony Now I'm calling in the bug man I'm calling in the bug man

## Quitters Win

Standards set so high Always fall short from the start You made me feel I wasn't good enough Better try extra hard You acted like you cared Filled my head with dreams Part of your master plan Another cog in your machine But I can't leave cos quitters don't win and I can't leave cos quitters don't fuckin win no I can't leave cos quitters don't win I can't leave cos quitters don't fuckin win Woah woah woah Every day worse than the last What am I doing with my life I see your stupid face again And want to punch it in, every time But what else is there? The fear of the unknown Nowhere to go, nothing to lose, no one I know But I can't leave cos quitters don't win I can't leave cos quitters don't fuckin win no (Repeat) But I gotta leave cos I'll never win here Gotta leave cos I'll never win here I've gotta believe there's something better out there If I'll ever find happiness, it won't be here in this mess I've gotta believe there's something better out there I gotta leave cos I'll never win here Gotta leave cos I'll never win here I've gotta believe there's something better out there If I'll ever find happiness, it won't be here in this mess I've gotta believe there's something better out there I gotta leave cos I'll never win here Gotta leave cos I'll never win here I've gotta believe there's something better out there

## Fade Away

I feel like a dingus, dimwit Head in the cumulonimbus 2000, firebolt accio I called shotgun, jump in the backio I said it first don't make me slappa your face Yeah I said it I will do it Life's hard just gotta push through it Recharge batteries Yeah I do it in my sleep No whys all z's I can fly in my dreams I'm feeling so damn tired I think about it everyday I'd rather close my eyes And let the world just fade away I know that life is only lived When you are wide awake But sometimes sleep's my favourite state It just happens that way Feel like a chungus, fungus Growing in this head of mine Well at least I guess that that makes me a fungi There's been some dark days But now the sun's come out to shine I think I'm falling back in love with being alive Ahhh They always said that I could do it Life's hard just gotta push through it Recharge battery When the hills a little steep Press save, have a sleep I can do it in my dreams I'm feeling so damn tired I think about it everyday I'd rather close my eyes And let the world just fade away I know that life is only lived When you are wide awake But sometimes sleep's my favourite state It just happens I feel like I'm winning, head spinning This is only the beginning My heart's spilling Over-filled with the love that I've been feeling It's been a bumpy ride but Now I'm the one steering And I've finally come to terms with The face that I was given Got a head like a kicked-in bickie tin Took a while to love the skin that I'm living in But in the game of life No matter where I've been You wanna know, did I win? Yeah I shit it in I'm feeling so damn tired I think about it everyday I'd rather close my eyes And let the world just fade away I know that life is only lived When you are wide awake But sometimes sleep's my favourite state It just happens that way

## Scooters Chicken Treat Jesus

Scooters Chicken Treat Jesus Woo On a beam, gonna make a scene Get some Chicken Treat Cos I'm a fuckin fiend Roll in from the Sunday session Pineapple fritter is my kinda heaven We ride scooters, we like Chicken Treat Don't wanna hear about Jesus We ride scooters, we like Chicken Treat Don't give a fuck about Jesus Don't come at me with ya preachy behavior Quarter chicken and chips is my lord and savior Not impressed with wine from water I'm just waiting on my fuckin order We ride scooters, we like Chicken Treat Don't wanna hear about Jesus We ride scooters, we like Chicken Treat Don't give a fuck about Jesus (Repeat) Don't come at me with ya preachy behavior Quarter chicken and chips is my lord and savior I'm not impressed with wine from water I'm just waiting on my fuckin order [Chicken Treat order] (Repeat)

## TMYLM

Head is aching, feeling nauseated Heart is nonstop, racing racing Head is aching, feeling nauseated Man I wish I'd rehydrated Head is aching, feeling nauseated Heart is nonstop, racing racing Head is aching, feeling nauseated Man I'm feeling dehydrated Head is aching, feeling nauseated Heart is nonstop, racing racing Head is aching, feeling nauseated Man I wish I'd rehydrated Head is aching, feeling nauseated (Head is aching) Heart is nonstop, racing racing (Nauseated) Head is aching, feeling nauseated (Heart is racing) Man I'm fuckin dehydrated (Dehydrated) It doesn't take much, just a small touch Tell me you love me, that I'm not a fuck up It doesn't take much, just a small touch Tell me you love me, that I'm not a fuck up It doesn't take much, just a small touch Tell me you love me, that I'm not a fuck up It doesn't take much, just a small touch Tell me you love me, that I'm not a fuck up Head is aching, feeling nauseated Heart is nonstop, racing racing Head is aching, feeling nauseated Man I wish I'd rehydrated Head is aching, feeling nauseated (Head is aching) Heart is nonstop, racing racing (Nauseated) Head is aching, feeling nauseated (Heart is racing) Man I'm fuckin dehydrated (Dehydrated) It doesn't take much, just a small touch Tell me you love me, that I'm not a fuck up (Keeps repeating)

## Nutsack

Burnt so many times I got a skin check Ask me about my problems I'll go in-depth Personality is always on the wrong track Purse is emptier than a teenager's nutsack My default setting's to assume people don't like me Friends say it's in my head and who knows it just might be At this point in life success isn't that likely I'm holding onto hope that things work out to spite me Yeah To spite me (Repeated) People say everything's fine its gonna be okay At the end of the day I'll still probably have another breakdown Feels like another breakdown I know everything is fine it's gonna be okay That won't stop my brain from freaking out I'll have another breakdown Feels like another breakdown Breakdown breakdown breakdown Breakdown! Got so many bugs I need a reset Sorta cute but feeling old just like a Neopet Call me jellyfish I lack a lot of backbone Call me bitch because I put you in the friendzone?! My default setting's to assume people will use me I'm a magikarp man who the fuck would choose me At this point in time outlook is feeling quite bleak I'm holding onto hope that things work out to spite me People say everything's fine its gonna be okay (Are you?) At the end of the day I'll still probably have another breakdown (Crying?) Feels like another breakdown (Again? Again?) I know everything is fine it's gonna be okay (Are you?) That won't stop my brain from freaking out (Crying?) I'll have another breakdown (Again?) Feels like another breakdown (Again?) Breakdown breakdown breakdown Breakdown! Ow! (Repeat)

## Glory Ibis

Glory Ibis! I'm sorry to hear about your sickness I got your email And I'd like to help you somehow I must confess, I did the maths And I want more than five percent I think it's fair And I know that you've got plenty to share Glory Ibis! Dunno how you found me But so glad you did (So glad you did) Glory Ibis I just wanna do my bit And take money from you for your super legit death wish Glory Ibis! Glory Ibis! Glory Ibis! Glory Ibis! (Repeats)
